

Spacex

Artist Workshops

Arts funding and how to get it

Presentation and information presented at the Visual Arts Plymouth workshops for creative practitioners, looking at key aspects of working within the arts.

Spacex

Based in Exeter, Spacex enables access to contemporary visual art in the South West via a programme of projects and events. The organisation works with artists to realise ambitions, pursue new directions and take risks. As an educational charity Spacex has an excellent record of delivering innovative and accessible projects.

Arts Professional

Arts Council England champion, develop and invest in artistic and cultural experiences that enrich people's lives. Supporting activities across the arts, museums and libraries – from theatre to digital art, reading to dance, music to literature, and crafts to collections. Between 2015 and 2018, the Arts Council will invest £1.1 billion of public money from government and an estimated £700 million from the National Lottery to help create art and culture experiences for everyone, everywhere. www.artscouncil.org.uk

Grants for the Arts is an open access funding programme for individuals, art organisations and other people who use the arts in their work. Awards from £1,000 to £100,000 to support a wide variety of arts-related activities, from dance to visual arts, literature to theatre, music to combined arts. Funding enquiries:
